

INDEX

Articles not marked by any signs were published as original contributions in THE LARYNGOSCOPE. All articles marked with special signs were published in the proceedings of the various societies, as follows:

New York Academy of Medicine.....	*
Philadelphia Laryngological Society.....	**
Eastern New York Eye, Ear, Nose and Throat Association.....	x
Minnesota Academy of Ophthalmology and Otolaryngology.....	xx
Ophthalmological and Otolaryngological Society of New Orleans.....	†
Nashville Academy of Ophthalmology and Otolaryngology.....	††
American Otological Society.....	***
Kansas City Society of Ophthalmology and Otolaryngology.....	†††

A

- Abscess, Brain, A Case of Double,
—Newkirk, H. D.....1002
- A Case of Double Brain Abscess,—
Newkirk, H. D.....1002
- A Case of External Otitis with False
Membranes, Apparently of Diph-
therial Origin,—Panneton, P..... 463
- A Case of Laryngectomy Fourteen
Years Ago,—McCoy, J.....x78-298
- A Case of Mastoiditis Associated
with Hematuria,—Persky, A. H... 652
- A Case of Rhinophyma,—Hunt H. L. 282
- A Case Report of Thrombosis of the
Lateral Sinus, Inferior Petrosal
Sinus and the Opposite Lateral
Sinus, with Postmortem Speci-
men,—Brown, J. M., and Bowman,
R. J..... 664
- A Discussion of Some of the Recent
Developments in Regard to Oto-
sclerosis, Cholesteatoma and the
Static Labyrinth,—Coates, G. M... 622
- An Analysis of Seven Cases of Os-
teomyelitis of the Frontal Bone
Complicating Frontal Sinusitis,—
Mosher, H. P., and Judd, D. K.... 153
- A History of Thyrotomy and Laryn-
gectomy,—Delavan, D. B.....*144-81
- A New Headlight,—Gaskin, D. R.... 504
- A New Tonsil Knife and Enuclea-
tor,—Schechter, S. P..... 138
- A New Tonsil Syringe,—Fogarty,
C. W..... 589
- A New Dilator for the Pharyngeal
Orifice of the Eustachian Tube,—
Pitman, L. K.....*602
- A New Mouth Gag with Inter-
changeable and Adjustable Tongue
Depressors and Anesthetizing Tube,
—Stupka, W..... 585
- An Aid to Interpretation of Intra-
cranial Complications Resulting
from Venous Circulatory Disturb-
ance of the Temporal Bone, Offer-
ed by X-Ray of the Lateral
Sinus and Jugular Foramen—
Ersner, M. S., and Myers, D..... 800
- An Easy Approach to the Surgical
Evulsion of the Second Branch of
the Trigeminal Nerve,—Poe, D. L. 554
- An Experimental and Clinical Study
of Histiocytes in Acute and Chronic
Inflammation of the Accessory
Sinuses,—Fenton, R. A., and Lar-
sell, O..... 233
- Abscess, Peritonsillar; Retropharyn-
geal Abscess; Osteomyelitis of the
Base of the Skull; Extradural Ab-
scess and Death. Report of a Case.
Silverberg, J. S..... 835
- Accessory Sinuses, An Experimental
and Clinical Study of Histiocytes
in Acute and Chronic Inflammation
of the—Fenton, R. A., and Lar-
sell, O..... 233
- Accident—Lost End Sphenoid Probe
Recovered from Nasal Meatus,—
Dowling, J. I..... 911
- Acoustic Neuroma, Circumscribed
Arachnoid Cyst, Giving Symptoms
of an,—Mullin, W. F..... 213
- Acute Infections of the Ear and
Mastoid, The Value of Dry Treat-
ment in,—Blackwell, H. B..... 390
- Acute Mastoiditis Complicated with
Septic Leucopenia and Local Le-
sions of the Lips, Nasal Orifices
and Pharynx Resembling Those of
Agranulocytosis. Report of the
Case,—Herzig, A. J.....*603
- Acute Mastoiditis with Unusual
Symptoms of Meningeal Irritation.
Case Report.—Wagers, A. J..... 876

- Adenoma of the Pituitary, Report of a Case, Producing Headache of a Type Caused by Sinus Disease,—Cohen, H. B. 496
- Alkalosis, The Treatment of Allergy Based on the Conception that it is a Potential,—Alden, A. M. 400
- Agranulocytosis; Acute Mastoiditis Complicated with Septic Leucopenia and Local Lesions of the Lips, Nasal Orifices and Pharynx Resembling Those of. Report of Case,—Herzig, A. J. *603
- Allergy, The Treatment of, Based on the Conception that it is a Potential Alkalosis,—Alden, A. M. 400
- Anatomy of the Eighth Nerve. III. General Plan of Structure of the Primary Cochlear Nuclei,—Lorente de No, R. 327
- Anatomy of the Eighth Nerve. The Central Projection of the Nerve Endings of the Internal Ear,—Lorente de No, R. 1
- Anesthesia, Quinine Urea, as, in Tonsillectomy,—Hogan, W. L. 949
- Angina, Ludwig's. Report of a Case,—Hochbaum, W. J. 838
- Argyria in a Child Following Intranasal Use of Argyrol, — Zacks, M. A. 680
- Argyrol, Argyria in a Child Following Intranasal Use of, — Zacks, M. A. 680
- Atresia of the Choanae; Its Incidence and Cause,—Schaeffer, J. P. 480
- Atresia of the Pharynx and Other Plastic Operations Developed by Dr. Mackenty,—Faulkner, E. R. 103-144
- Auditory Canal, Hyperostosis—Exostosis of the External, — Glatt, M. A. 558
- Avertin, The Use of, in Endoscopy,—Brighton, G. R. 407
- B**
- Bacteremia of Otic Origin, Routes of Infection to the Blood Stream. Case Report with Recovery,—Greenfield, S. D. 646
- Bezold's Abscess, General Septicemia Following Mastoiditis with,—Clark, H. E. xx513
- Bing's Finger and Fork Test. The Palm and Fork Test in the Differential Diagnosis Between Conductive and Perceptive Deafness. A Reversal of,—Becker, B. M. 456
- Biophysics and Chemistry in Otorhinology,—Lewis, E. R. 54
- Body Chemistry, Faulty, The Nasal Mucous Membrane as an Indicator of, The Pale Septum,—Frank, Ira. 48
- Bone and Cartilage Grafts in Rhinoplasty, The Value of, — Carter, W. W. 905
- Bovine Cartilage in Correction of Nasal Deformities,—Stout, P. S. 976
- Brain Abscesses in Otorhinological Foci, Case Presentation of,—Davidoff, L. M. *602
- Bronchus, Foreign Body in. Case Report,—Post, W. L. ††422
- Bullet Wound of Right Ear Canal—Hematoma of the Soft Palate and Pterygo-Maxillary Space — Tracheotomy and Ligation of Common Carotid Artery. Report of Cases,—Rubin, H. *430-831
- C**
- Cancer of Larynx, Diagnosis of Early,—Coakley, C. G. 106-145
- Cancer Problem, The, as Related to Laryngology, — Martland, H. S. 110-145
- Carbuncle of Nose; Ophthalmic Vein Phlebitis; Operation for Cavernous Sinus Thrombosis; Recovery. Report of a Case, — Browder, E. J. *430-829
- Carcinoma in Lung Abscess Cavity, Kernan, J. D., and Cracovaner, A. J. 501
- Case of Acute Tonsillitis and Cervical Adenitis Treated with Diathermy,—Hurd, L. M. *230
- Case Presentation of Brain Abscess Originating in Otorhinological Foci,—Davidoff, L. M. *602
- Catheterization, Tracheostomization for Pulmonary, — Mandelbaum, M. J. *602
- Cavernous Sinus Thrombosis of Otic Origin. Report of a Case,—Gilbert, J. G. *430-825
- Cavernous Sinus Thrombosis; Carbuncle of Nose; Ophthalmic Vein Phlebitis; Operation for; Recovery. Report of a Case,—Browder, E. J. 829
- Cerebrospinal Rhinorrhea,—Weil, A. I., and Womack, D. R. 767
- Chemistry and Biophysics in Otorhinology,—Lewis, E. R. 54
- Choanae, Atresia of the: Its Incidence and Cause,—Schaeffer, J. P. 480
- Cholesteatoma,—Kopetzky, S. J. 118

Cholesteatoma, Otosclerosis and the Static Labyrinth, A Discussion of the Recent Developments in Regard to,—Coates, G. M.....	622
Circumscribed Arachnoid Cyst Giving Symptoms of an Acoustic Neuroma,—Mullin, W. V.....	213
Clinical Classification of Mastoiditis, Spake, L. B.....	†††418
Cochlear Nuclei, General Plan of Structure of the Primary. Anatomy of the Eighth Nerve,—Lorente, de No, R.....	327
Complications, Intracranial, Appearing During the Treatment of Ear and Nose Diseases,—Reeves, Ernest.....	1010
Complications, Postoperative Pulmonary; Are They Preventable? —Jackson, Chevalier.....	499
Concerning the Reporting of Intensity and Pitch in the Hearing Tests,—Macfarlan, D.....	867
Contact Ulcer of the Larynx. Report of a Case,—Imperator, C. J.....	933
Correction of Post-Auricular Defect by Implantation of Fascia Lata—Griffith, C. M., and Schattner, A.....	*77-280
Cyst, Circumscribed Arachnoid, Giving Symptoms of an Acoustic Neuroma,—Mullin, W. V.....	213
D	
Deafness in Children, Influence of Treatment on,—Gundrum, L. K.....	565
Deformities, Nasal, and Their Repair,—Kazanjian, V. H.....	955
Diagnosis and Therapeutic Use of the Roentgen Ray in Laryngeal Neoplasms—Hirsch, I. S.....	*599
Diagnosis of Acute Mastoiditis and the Symptomatology, — Atkins, R. T.....	*309
Diagnosis of Early Cancer of the Larynx,—Coakley, C. G.....	106-145
Diathermy: Surgical and Medical in Otolaryngology,—Hurd, L. M.....	730
Diagnostic Aids in Mastoiditis: Laboratory,—Eggston, A. A.....	*309-788
Diagnostic Aids in Acute Mastoiditis: X-ray,—Law, F. M.....	*309-784
Diathermy: Results; Good, Bad or Indifferent, in Nose, Throat and Ear Conditions,—Hurd, L. M.....	*230
Differential Diagnosis in Acute Mastoid Disease,—Jones, M. F.....	*309-793
Differential Diagnosis of Diseases of the Larynx,—Kernan, J. D.....	*425-722

Discussion of Symposium on Otolaryngology,—Kopetzky, S. J.....	*73
Drugs, Some Experiences with the Newer,—Johnson, M. C.....	414
Drumhead Retraction and Vacuum Formation, Headache, — Lewis, E. R.....	762
E	
Ear and Mastoid, The Value of Dry Treatment in Acute Infections of the,—Blackwell, H. B.....	390
Ear Canal, Bullet Wound of Right; Hematoma of the Soft Palate and Pterygomaxillary Space; Tracheotomy and Ligation of the Common Carotid Artery; Recovery. Report of a Case,—Rubin, H.....	831
Ear Disturbances and Head Injuries, Guerinot, A. J.....	61
Ear, External, Primary Luetic Lesion of the. Case Report,—Colgan, R. C., and Greenbaum, S. S.....	563
Ear, Internal, The Central Projection of the Nerve Endings of the. Anatomy of the Eighth Nerve,—Lorente de No, R.....	1
Ear, Nose and Throat Manifestations of Lethargic Encephalitis, Early,—Zinkhan, A. M.....	549
Ear Suppuration, Intracranial Complications of Otitic Origin and Sclerotic Mastoid without Middle. Case Report,—Usen, L.....	467
Eighth Nerve, Anatomy of the. III. General Plan of Structure of the Primary Cochlear Nuclei,—Lorente de No, R.....	1-327
Electrocutting and Coagulation, Intranasal Opening of the Maxillary Antrum by,—Hubert, Louis.....	*141
Electropneumotherapy, Phonasthenia and Its Treatment by, — Bryant, B. L.....	607
Encephalitis, Lethargic, Early Ear, Nose and Throat Manifestations of,—Zinkhan, A. M.....	549
Endoscopy, The Use of Avertin in,—Brighton, G. R.....	407
Esophagus, Glands of the,—Ireland, P. E.....	351
Ethmoiditis: Its Various Forms and Their Treatment,—Dunn, L. S.....	848
Etiology and Treatment of Contact Ulcer of the Larynx,—Jackson, C. L.....	*425-718
Eustachian Tube, A New Dilator for the Pharyngeal-Orifice of the,—Pitman, L. K.....	*602

- Exostosis—Hyperostosis of External Auditory Canal,—Glatt, M. A..... 558
 Experimental Studies in Hearing. I. The Threshold of the Reflexes of the Muscles of the Middle Ear. II. The Hearing Loss After Extirpation of the Tympanic Membrane, Lorente de No, R., and Harris, A. S..... 315
 Extrinsic Lipoma of Larynx,—Flynn, J. A..... 294

F

- False Membranes, A Case of External Otitis with, Apparently of Diphtherial Origin,—Fanneton, P..... 463
 Fascia Lata, Correction of Post-Auricular Defect by Implantation of,—Griffith, C. M., and Schattner, A.....*77-280
 Fibrolipoma of the Larynx,—Imperatori, C. J..... 940
 Fistulae, Parotid, Following Mastoidectomy. Case I. Papilloma of the Tongue of a Child,—Hch-silzer, J. J.....xx517
 Foreign Body in Bronchus. Case Report,—Post, W. L.....††422
 Free Iodine in the Treatment of Vasomotor Rhinitis and the Symptom Complex of Sneezing and Nasal Hydrorrhea. Preliminary Report,—Levine, Morris..... 39
 Frontal Osteoma; Moulding Misplaced Frontal Septum; Case Report,—Colson, Z. W..... 677
 Frontal Sinusitis, An Analysis of Seven Cases of Osteomyelitis of Bone Complicating,—Mosher, H. P., and Judd, D. K..... 153
 Functional Ear Examination in Patients with Meniere's Syndrome. Report of Cases,—Northington, P.....*597

G

- Gangosa—Occurrence in a White Man,—Myerson, M. C..... 394
 Gastroenteritis in Infants, Otitic Infection with—Rabbiner, Max.....*78-233
 Gastrointestinal Disturbances, Value of High Frequency in Nasal Conditions with Probable Benefits in, Cohen, L..... 521
 General Septicemia Following Mastoiditis with Bezold's Abscess, Clark, H. E.....xx513
 Glands of the Esophagus,—Ireland, P. E..... 351
 Glossoepiglottic Space, Lipoma of the,—Briglia, F. J..... 570

H

- Headache, Drumhead Retraction and Vacuum Formation,—Lewis, E. R. 762
 Headache of a Type Caused by Sinus Disease, Report of a Case of Adenoma of the Pituitary Producing,—Cohen, H. B..... 496
 Head Injuries and Ear Disturbances, Guerinot, A. J..... 61
 Headlight, A New,—Gaskin, D. R..... 504
 Hearing Tests, Concerning the Reporting of Intensity and Pitch in, Macfarlan, D..... 867
 Hematoma of Soft Palate and Pterygomaxillary Space; Tracheotomy and Ligation of the Common Carotid Artery; Bullet Wound of Right Ear Canal; Recovery. Report of a Case,—Rubin, H..... 831
 Hematuria, A Case of Mastoiditis Associated with,—Persky, A. H..... 652
 Histiocytes in Acute and Chronic Inflammation of the Accessory Sinuses, An Experimental and Clinical Study of,—Fenton, R. A., and Larsell, O..... 233
 Histologic Immunology, Otolaryngologic Practice from the Standpoint of,—Novack, F. J., Jr.....xx508
 Hodgkin's Disease. Lymphosarcoma and Leukemia,—Craver, L. F..... 575
 Hyperostosis—Exostosis of the External Auditory Canal, — Glatt, M. A..... 558

I

- Improved Irrigating Bottle,—Myerson, M. C.....*432
 Infants, Otitic Infection with Gastroenteritis in,—Rabbiner, Max..... 233
 Infection and Resistance in the Upper Respiratory Mucosa,—Linton, C. S..... 242
 Infections in General Medicine, Nose and Throat,—Levin, M. B..... 540
 Infection of Sphenoidal Sinus with Intracranial Complications. Case Report,—Connell, E. S.....††423
 Infection, Routes of Infection to the Blood Stream Bacteremia of Otitic Origin. Case Report with Recovery,—Greenfield, S. D..... 646
 Influence of Treatment on Deafness in Children,—Gundrum, L. K..... 565
 Intracarotid Treatment of Meningitis and Changes Noted in the Carotids Following Intracarotid Therapy. Measures to Prevent These Changes, — Ersner, M. S., and Myers, D..... 630

- Intracranial Complications Appearing During the Treatment of Ear and Nose Diseases,—Reeves, Ernest.....1010
- Intracranial Complications, Infection of Sphenoidal Sinus with. Case Report,—Connell, E. S.....†††423
- Intracranial Complications of Otitic Origin in Sclerotic Mastoid Without Middle Ear Suppuration. Case Report,—Usen, L.....467
- Intranasal Opening of the Maxillary Antrum by Electrocutting and Coagulation,—Hubert, Louis.....*141
- Iodine, Free, Administered Subcutaneously, The Treatment of Oto-Rhinological Condition with, Bishop, J. R.....411
- L**
- Labyrinthitis, Some Clinical Observations in Labyrinthitis,—Cunning, D. S.....383
- Labyrinthitis, Two Cases of Diffuse, Complicating Acute Serous Otitis Media,—Luongo, R. A.....872
- Labyrinth, Static, A Discussion of Some of the Recent Developments in Regard to Otosclerosis, Cholesteatoma and the,—Coates, G. M.....622
- Laryngeal Neoplasms, Diagnostic and Therapeutic Use of the Roentgen Ray in,—Hirsch, I. S.....*602
- Laryngectomy and Thyrotomy, A History of,—Delavan, D. B.....*144-81
- Laryngectomy Fourteen Years Ago, A Case of,—McCoy, J.....298
- Laryngectomy, Outstanding Points in, as Developed by Mackenty and Some of the Other Ideas Relating to This Operation,—Lewis, F. O.....*144-97
- Laryngology, The Cancer Problem as Related to,—Martland, H. S.....*110-145
- Laryngology, The Laboratory in,—Friend, H.....687
- Larynx and Uphill Feeding, The Tuberculous,—Van Wagenen.....*602
- Larynx, Contact Ulcer of the Report of a Case,—Imperatori, C. J.....933
- Larynx, Etiology and Treatment of Contact Ulcer of the,—Jackson, C. L.....718
- Larynx, Extrinsic Lipoma of the,—Flynn, J. A.....294
- Larynx, Fibrolipoma of the,—Imperatori, C. J.....940
- Larynx, Pemphigus Beginning in the, Report of a Case,—Danish, H.....823
- Larynx, Practical Anatomical Considerations of the,—Lore, J. M.....693
- Larynx, Rhabdomyoma of the. Report of a Case, — Imperatori, C. J.....945
- Larynx, Unilateral Paralysis of Face, Palate. Case for Diagnosis,—Feldman, M.....740
- Lateral Sinus Thrombophlebitis with Extension to the Torcular; Report of Two Cases; Operation with Recovery,—Greenfield, S. D.....751
- Leprosy of the Eye, Ear, Nose and Throat,—Pinkerton, F. J.....991
- Leukemia, Hodgkin's Disease, Lymphosarcoma,—Craver, L. F.....575
- Ligation of the External Carotid Artery for Uncontrollable Hemorrhage in a Case of Peritonsillar Infection,—Greenfield, S. D.....929
- Lipoma of Larynx,—Flynn, J. A.....294
- Lipoma of the Glossoepiglottic Space,—Briglia, F. J.....570
- Ludwig's Angina, — Hochbaum, W. J.....*432-835
- Lung Abscess Cavity, Carcinoma in,—Kernan, J. D., and Cracovaner, A. J.....501
- Lymphosarcoma, Hodgkin's Disease and Leukemia,—Craver, L. F.....575
- M**
- Mackenty, Outstanding Points in Laryngectomy as Developed by, and Some of the Other Ideas Relating to This Operation,—Lewis, F. O.....97-144
- Malignancy, Nasopharyngeal. Case Report,—Moyle, E. H.....*78-283
- Malignant Tumor of the Nasopharynx with Involvement of the Nervous System, — Rothschild, H. J.....xx70
- Malignant Tumor of the Nasal Sinuses, Radium in, — Robinson, G. A.....285
- Man, White, Occurrence of Gangosa in a,—Myerson, M. C.....394
- Mastoiditis, Acute, The Symptomatology and Diagnosis of,—Atkins, R. T.....777
- Mastoid Disease, Differential Diagnosis in Acute,—Jones, M. F.....*309-793
- Mastoid Tip Cells, The Evolution of the, as a Cell System Separate from the Remainder of the Mastoid Cells and Its Significance. (Preliminary Report)*596-797

- Mastoiditis, Acute Complicated with Septic Leucopenia and Local Lesions of the Lips, Nasal Orifices and Pharynx Resembling Those of Agranulocytosis. Report of a Case, —Herzig, A. J.*603
- Mastoiditis Associated with Hematuria, A Case of,—Persky, A. H. 652
- Mastoiditis — Clinical Classification of,—Spake, L. B.†††418
- Mastoiditis, Diagnostic Aids in: Laboratory,—Eggston, A. A.*309-788
- Mastoiditis, Diagnostic Aids in: X-Ray,—Law, F. M. 784
- Mastoiditis. The Symptomatology and Diagnosis of Acute,—Atkins, R. T.*309
- Mastoiditis with Bezold's Abscess, General Septicemia Following,—Clark, H. E.xx513
- Maxillary Antrum, Intranasal Opening of the, by Electrocutting and Coagulation,—Hubert, Louis.*141
- Meatus, Plastic Reconstruction of the External Auditory,—Palmer, F. E., and Reifsnider, J. S. 618
- Meniere's Syndrome, Functional Ear Examinations in Patients with,—Northington, P.*597
- Meningeal Irritation, Case Report. Acute Mastoiditis with Unusual Symptoms of,—Wagers, A. J. 876
- Meningitis,—Cummings, G. O. 880
- Meningitis, Intracarotid Treatment of and Changes Noted in the Carotids Following Intracarotid Therapy. Measures to Prevent These Changes, —Ersner, M. S., and Myers, D. 630
- Meningitis of Otogenous Origin, with Recovery,—Newhart, H.xx516
- Meningitis, Recovery After Streptococcic, Following Otitic Sepsis,—Kleinfeld, L.*603
- Misplaced Third Molar, —Bryan, J. L.††72
- Mucous Membrane, The Nasal, as an Indicator of Faulty Body Chemistry, The Pale Septum,—Frank, Ira 48
- N**
- Nasal Conditions, Value of High Frequency Currents in, with Probable Benefits in Gastrointestinal Disturbances,—Cohen, L. 521
- Nasal Deformities and Their Repair,—Kazanjian, V. H. 955
- Nasal Deformities, Bovine Cartilage in the Correction of,—Stout, P. S. 976
- Nasal Hydrorrhea, Free Iodine in the Treatment of Vasomotor Rhinitis and the Symptom Complex of Sneezing and. Preliminary Report,—Levine, Morris 39
- Nasal Obstruction in Children Due to Septal Abnormalities: What Shall We Do for Them?—Carter, W. W. 377
- Nasal Papilloma with Report of a Case with an Enormous Nasopharyngeal Extension, —Wells, W. A. 918
- Nasal Sinuses; Practical Considerations of General Interest,—Goodyear, H. M. 482
- Nasal Sinuses, Radium in Malignant Tumors of the,—Robinson, G. A. 285
- Nasopharyngeal Extension, Nasal Papilloma with Report of a Case with an Enormous,—Wells, W. A. 918
- Nasopharyngeal Malignancy. Case Report,—Moyle, E. H.*78-283
- Nasopharynx, Malignant Tumor of the, with Involvement of the Nervous System,—Rothschild, H. J.xx70
- Neoplasm in the External Auditory Canal, Report of Two Cases of. Operation. Recovery,—Blackwell, H. B.*603
- Nerve, Injury of the Ninth after Tonsillectomy, Stylohyoid Ossification, Bilateral,—Fowler, R. H. 287
- Neutropenia,—Reznikoff, P.*604
- Nose and Throat Infections in General Medicine,—Levin, M. B. 540
- Nutritional and Biochemical Phases of Otolaryngology, —Myerson, M. C.*432-840
- O**
- Operations, Plastic, Atresia of the Pharynx and Other, as Developed by Dr. Mackenty, —Faulkner, E. R.103-144
- Oral and Pharyngeal Manifestations: Pellagra. Report of a Case, —Rodin, O. 819
- Osteoma, Frontal, Moulding Misplaced Frontal Septum; Case Report,—Colson, Z. W. 677
- Osteomyelitis of the Frontal Bone Complicating Frontal Sinusitis, An Analysis of Seven Cases of,—Mosher, H. P., and Judd, D. K. 153
- Otitic Infection with Gastroenteritis in Infants.—Rabbiner, Max.*78-233
- Otitis, A Case of External with False Membranes, Apparently of Diphtherial Origin,—Panneton, P. 463

- Otitis Media, Two Cases of Diffuse Labyrinthitis Complicating Serous, —Luongo, R. A. 872
- Otogenous Origin, Meningitis of, with Recovery, —Newhart, H. xx516
- Otolaryngologic Practice from the Standpoint of Histologic Immunology, —Novak, F. J., Jr. xx508
- Otolaryngology, Discussion of Symposium on, —Kopetzky, S. J. *73
- Otolaryngology, Nutritional and Biochemical Phases of, —Myerson, M. C. 840
- Otolaryngology, Surgical and Medical in: Diathermy, —Hurd, L. M. 730
- Otology, Practical Points in, of Special Interest to Pediatricists and General Internists, —Hewson, Wm. 473
- Otosclerosis, Cholesteatoma and the Static Labyrinth, A Discussion of Some of the Recent Developments in Regards to, —Coates, G. M. 622
- Outstanding Points in Laryngectomy as Developed by Mackenty and Some of the Other Ideas Relating to This Operation, —Lewis, F. O. 97-144
- Ozena, Some Causes and Therapy—Report of 135 Cases, —Trexler, C. W. 369

P

- Papilloma of the Tongue of a Child. Case 2. Parotid Fistulae Following Mastoidectomy, Case 1, —Hochfilzer, J. J. xx517
- Parapharyngeal Abscess Following Tonsillectomy. Extreme Hyperpyrexia Operation. Recovery—Gilbert, J. G. 980
- Case 1, Parotid Fistulae Following Mastoidectomy. Case 2, Papilloma of the Tongue of a Child, —Hochfilzer, J. J. xx517
- Pellagra — Oral and Pharyngeal Manifestations, Report of a Case, —Rodin, O. *430-819
- Pemphigus Beginning in the Larynx. Report of a Case, —Danish, H. *430-823
- Perceptive Deafness, The Palm and Fork Test in the Differential Diagnosis Between Conductive and—A Reversal of Bing's Finger and Fork Test, —Becker, B. M. 456
- Peritonsillar Abscess; Retropharyngeal Abscess; Osteomyelitis of the Base of the Skull; Extradural Abscess and Death. Report of a Case, —Silverberg, J. S. 835

- Peritonsillar Infection, Ligation of the External Carotid Artery for Uncontrollable Hemorrhage in a Case of, —Greenfield, S. D. 929
- Petrositis, —Youngs, N. xx513
- Pharynx, Atresia of the, and Other Plastic Operations Developed by Dr. Mackenty, —Faulkner, E. R. *103-144
- Phonasthenia and Its Treatment by Electropneumotherapy, —Bryant, B. L. 607
- Plastic Reconstruction of the External Auditory Meatus, —Palmer, F. E., and Reifsnider, J. S. 618
- Plastic Surgery of Saddle Nose, —Wolfe, M. M. 897
- Postoperative Pulmonary Complications; Are they Preventable?—Jackson, Chevalier 499
- Practical Anatomical Considerations of the Larynx, —Lore, J. M. *425-693
- Practical Considerations of Nasal Sinuses, of General Interest, —Goodyear, H. M. 482
- Practical Points in Otology of Special Interest to Pediatricists and General Internists, —Hewson, Wm. 473
- Presentation of Instrument Scissors—Hemostat, —Warren, A. F. *77-417
- Primary Jugular Bulb Thrombosis, with Metastasis Operation; Recovery, —Malis, Sol. 132
- Primary Luetic Lesion of the External Ear. Case Report, —Colligan, R. C., and Greenbaum, S. S. 563

Q

- Quinine Urea as Anesthesia in Tonsillectomy, —Hogan, W. L. 949

R

- Radium in Malignant Tumors of the Nasal Sinuses, —Robinson, G. A. *77-285
- Recovery After Streptococcic Meningitis Following Otitic Sepsis, —Kleinfeld, L. *603
- Remarks on the Vestibular Tests—With a Record of the Vestibular Findings, —Shuster, B. H. *435
- Removal of a Deciduous Tooth from Left Anterior Ethmoid Region in Patient Forty-one Years of Age, —Hollabaugh, A. N. †172
- Report of a Case of Adenoma of the Pituitary, Producing Headache of a Type Caused by Sinus Disease, —Cohen, H. B. 496

Report of 135 Cases—Some Causes and Therapy of Ozena,—Trexler, C. W.	369
Report of Two Cases of Neoplasm in the External Auditory Canal. Operation. Recovery,—Blackwell, H. B.	*603
Rhabdomyoma of the Larynx. Report of a Case,—Imperatori, C. J.	945
Rhinitis Vasomotor,—Trasoff, A.	531
Rhinitis, Vasomotor, Free Iodine in the Treatment of and the Symptom Complex of Sneezing and Nasal Hydrorrhea,—Levine, Morris.	39
Rhinolithiasis; Report of Three Cases,—Polisar, J. M.	658
Rhinological Viewpoint, Sinusitis in Children from the,—Cohen, H. B.	670
Rhinophyma, A Case of, — Hunt, H. L.	282
Rhinoplasty, The Value of Bone and Cartilage Grafts in, — Carter, W. W.	905
Rupture, Spontaneous, of the Sigmoid Portion of the Lateral Sinus,—Flynn, J. A.	65

S

Saddle Nose, Plastic Surgery of,—Wolfe, M. M.	897
School Teacher, The Hard of Hearing,—Newhart, H.	986
Scissors—Hemostat. Presentation of Instrument,—Warren, A. F.	417
Sclerotic Mastoid without Middle Ear Suppuration, Intracranial Complications of Otitic Origin in. Case Report,—Usen, L.	467
Septal Abnormalities, Nasal Obstruction in Children Due to. What Shall We Do for Them? —Carter, W. W.	377
Septum, The Red,—Jarvis, D. C.	42
Septic Sore Throat,—Page, C. G.	742
Sheep Head, Fresh, The Use of the, for Teaching the Technic of the Submucous Resection of the Nasal Septum,—Morrison, W.	*602
Sinus, Infection of Sphenoidal, with Intracranial Complications. Case Report,—Connell, E. S.	††423
Sinusitis in Children — From the Rhinological Viewpoint, — Cohen, H. B.	670
Sinus Thrombosis, Cavernous, of Otitic Origin. Report of a Case, Gilbert, J. G.	825

Sneezing and Nasal Hydrorrhea, Free Iodine in the Treatment of Vasomotor Rhinitis and the Symptom Complex of. Preliminary Report,—Levine, Morris	39
Some Cases and Therapy of Ozena —Report of 135 Cases,—Trexler, C. W.	369
Some Clinical Observations in Labyrinthitis,—Cunning, D. S.	*79-383
Some Experiences with the Newer Drugs,—Johnson, M. C.	414
Sphenoid Probe Recovered from Nasal Meatus. Accident — Lost End of,—Dowling, J. I.	911
Spontaneous Rupture of the Sigmoid Portion of the Lateral Sinus,—Flynn, J. A.	65
Stylohyoid Ossification, Bilateral and Injury of Ninth Nerve after Tonsillectomy,—Fowler, R. H.	*78-287
Submucous Resection of the Nasal Septum. The Use of the Fresh Sheep Head for Teaching the Technic of,—Morrison, W.	*602
Symposium on the Larynx,—Lore, J. M.; Jackson, C. L.; Kernan, J. D.	693

T

Teaching Tonsillectomy, — Seiberling, J. D.	748
The Cancer Problem as Related to Laryngology,—Martland, H. S.	110-145
The Contact Ulcer—Etiology and Treatment,—Jackson, C. L.	*425
The Evolution of the Mastoid Tip Cell as a Cell System Separate from the Remainder of the Mastoid Cell and its Significance. (Preliminary Report.)	*596-797
The Hard of Hearing School Teacher,—Newhart, H.	986
The Laboratory in Laryngology,—Friend, H.	687
The Metabolic Preparation of Patients for Laryngectomy and Their Postoperative Care, — Houghton, H. A.	*604
The Nasal Mucous Membrane as an Indicator of Faulty Body Chemistry, The Pale Septum,—Frank, Ira	48
The Palm and Fork Test in the Differential Diagnosis Between Conductive and Perceptive Deafness, a Reversal of Bing's Finger and Fork Test,—Becker, B. M.	456
The Red Septum,—Jarvis, D. C.	42

The Symptomatology and Diagnosis of Acute Mastoiditis, — Atkins, R. T.....	*309-777
